**WE HOPE YOU HAD A WONDERFUL WINTER
AND ARE READY FOR SPRING!**

TEAM PROFILE

BETH DUFFY

Our spotlight shines on **Beth Duffy**, Account & Claims Manager. She joined the agency 14 years ago and has worked in insurance for over 24 years!

Beth started here part-time, working in claims and helping to modernize the records system. What she enjoys most at the agency is working with her fellow teammates and feeling a warm appreciation when she is able to help a client.

Out of the office, she loves spending time with her family and friends. Her three kids are truly her life's passion. She is the youngest of five, growing up locally and attending Fairmont High School.

She has a very strong heart, and in her past, she battled and beat cancer. This November will mark the 10th anniversary of being cancer free! Congratulations Beth!

Mike (far right) backpacked with friends for three days in Red River Gorge, part of Daniel Boone National Forest in Kentucky. After setting up camp on a ridge, the crew enjoyed a nice time by the fire.

 INSURANCE TIPS

WHY YOU NEED UMBRELLA INSURANCE

A friend is hurt on your property,
You are involved in a serious car accident.
You are involved in a hunting or drowning incident.

Any of these incidents could lead to a settlement or judgement that could be devastating to your family's finances.

PROTECTING YOURSELF WITH ADDITIONAL LIABILITY INSURANCE IS SMART BECAUSE IT...

FILLS THE GAPS

For example, if you are in an accident and have \$250,000 of liability coverage on your auto policy but are sued for \$750,000, you will need to come up with the \$500,000 balance on your own unless you have umbrella insurance.

PROTECTS YOUR ASSETS

How much you own is irrelevant. Without umbrella coverage, everything you've worked hard for could be at risk if you are found liable to others as a result of an accident or other catastrophic event.

PAYS LEGAL EXPENSES

A personal umbrella policy can provide you with legal counsel if you are sued. One hour of legal consultation would pay for the annual cost of an umbrella.

IS AFFORDABLE

Depending on your circumstances, the cost of a \$1 million personal umbrella policy can cost as little as \$19 per month.

ROBERT K. Jones INSURANCE

"This is not a policy. For a complete statement of the coverages and exclusions, please see the policy contract."

JONES IN THE COMMUNITY

2ND ANNUAL ROLL CALL

Lisha Nienhaus (5th from left) and her husband, Paul (not pictured), attended the 2nd Annual Roll Call.

It was held at the Dublin Pub on Monday, February 20, 2017. The event was open to all local police officers and to the public. It is a fundraiser for the Montgomery County Law Enforcement Memorial Fund.

Local businesses donated door prizes and items for a silent auction. This year, the event raised over \$10,000! Proceeds will go to assist fallen officers' families, to help when an officer is injured and to provide annual scholarships to selected children.
