

 **INSURANCE TIPS**

INSURANCE COVERAGE FOR YOUR COLLEGE STUDENT

It is important to double check that your child is covered if living in a dorm or an apartment while away at college. Generally, your home or renters policy will extend

coverage, but there could be limitations or exclusions depending on the carrier. If your child is 24 and is a full time student living in a dorm or an apartment, they are no longer covered by your home or renters policy. Please contact us for more details.

It is also important to notify us if your child is away at college whether or not they take a car with them. There could be potential rate discounts or changes depending on the situation.

 **TEAM PROFILE**

KEVIN JONES, PARTNER

Congratulations Kevin Jones on 30 years of service with Robert K. Jones Insurance Agency!

Kevin began working with his father, Robert K. Jones, in 1986.

“My first day of work, we had two typewriters, two staff members, Denise and Peggy, and of course, Dad. We have come a long way from only having one computer, which was only on half of the day, and having to type carbon copy policies”.

KEEPING UP WITH MARIANNE JONES

Marianne has been very busy with her new home in Oakwood, which she purchased in 2014. She has tackled many projects and is adjusting to an "older " home again. What she loves most is being closer to her kids and grandkids! In her free time, she enjoys painting watercolors and acrylics (a few of her pieces shown) and has them all tastefully displayed. She also spends time at her grandkids' numerous activities, concerts, graduations and sporting events! But most of all, she enjoys and cherishes time spent with her family and friends!

Dan, Treva and Jack Bitler sat in the green chair to promote the need for organ donors and to not let the chair go empty waiting for a transplant.
