Earlier this month we were honored to provide a \$2,000 scholarship to Hannah Krumholtz. Hannah will be attending her “dream art school in Chicago” this fall. Her parents Kevin & Stephanie are long time clients of the agency. Thank you to everyone who submitted an entry for the scholarship. We had 16 students apply, and it was a very difficult decision for us to pick one recipient. Supporting our community is one of Robert K. Jones Insurance Agency’s core values, and we are thankful to have the ability to provide this scholarship to our community. Keep your eyes out, for Spring 2023 when we offer our next Scholarship opportunity.
